

# What's it all about, Alfred?

We are all born stupendously, breathtakingly ignorant.....  
And one of the great “truisms” of life is - - “You don't know what you don't know” .....

Either you would actually like to know (what it's all about) - - or you wouldn't.....

There either **IS** some sort of “Meaning” to this life - - or there isn't.....

And it can't be neither - - and it can't be both, simultaneously.....

And it can't alternate - - and it can't have changed in the past, nor can it change in the future.....

I think we can all agree that this is a “Concept” that exists.....

It may even be worthy of consideration & discussion - - or not.....

If the “Concept” didn't exist - - we **couldn't** be discussing it at all!!!

But the “Concept” **DOES** exist - - **BECAUSE** we **CAN** discuss it!!!

We “Perceive” the concept - - and that there is a basic “**YES** or **NO**” dichotomy.

We form theories - - “Presumptions” - - based on our perceptions.

And, finally - - if we can build a **RATIONAL** “Proof” - - we have a “Standard”.

## **To be honest - - I'd be perfectly happy, either way.**

But - - if it's possible, I'd like to **KNOW**, definitively - - in **THIS** life.....

Just in case there actually **IS** some sort of “Meaning”.

If there **IS** a “Choice” - - I'd like to **be free to make that decision**.....

I'd like to be able to weigh the pro's & con's of **BOTH** sides.....

Attempt to discern the advantages and/or disadvantages of **both** sides.....

If there IS some sort of “Proof” - - one way or the other - - maybe there are **spectacular BENEFITS** to one side or the other.

**OR** - - maybe there is some sort of Horrendous Punishment - - as a **consequence** of our “choice(s)” .....

But shouldn't this be **MY** “Choice”??? Shouldn't this be **MY DECISION**?????

I'm not saying that someone is - - but why would **anyone** try to block or dissuade me in this endeavor?????

**And, again, to be perfectly honest - - I'd be happy either way.....**

The problem is - - there's only one (1) “**right**” answer - - **so which is it**?!?!?!?!?!?

If there's no “Meaning” - - **OK** - - but, **why not**?

If there is some “Meaning” - - **SAYS WHO**???

**IF THERE'S NOT** - - **FINE** - - C'est la Vie.....

- But if there IS:
- Is it rational, or irrational?
- Is it empirical, or mystical?
- Is it temporal, or eternal?
- Is it Objective, or subjective?
- Is it actually discoverable - - or not?
- [ and if not - - **WHY NOT**???
- To whom, and/or what, might it apply?
- Is there one, many or infinite “Meaning(s)”?
- WHY IS IT NOT OBVIOUS?**

It may not be obvious because it's not possible to discern - - but I'm going to “Presume” that is **IS**.....

**FORTUNATELY**, just because something **hasn't** been “figger'd out” yet, doesn't mean it **can't** be “figger'd out”.

The ultimate question then is: **Why** do Human Beings even exist, at all??

[ I already know - - to the absolute exclusion of any other possibility..... ]

**But YOU DON'T** - - so let's go “figger' it out”.....

We perceive the world around us as: Earth, Wind, Fire & Water.....

Or, more precisely (as we've "figger'd out"): Atoms, consisting of: Protons  
Neutrons  
Electrons  
Strong Nuclear Force  
Weak Nuclear Force  
Etc, etc, etc.....

All of which consist of: Quarks  
All of which consist of: Strings  
All of which consist of: No one knows.....

[ and energy - - I'm not forgetting energy..... ]

## **None of which were - - or ARE - - obvious - - then OR now.....**

[ other than – Earth, Wind, Fire & Water ]

[ doesn't mean the rest don't exist - - we just hadn't "figger'd 'em out", yet..... ]

We have also perceived: Three dimensional space [ 1, 2, 3 ]  
Time [ 4 ]  
Gravity [ 5 ]

There are actually seven (7) more dimensions!!!!

Six (6) of which are spatial - - all around us, all the time.....

Invisible, Unreachable - - **intentionally blocked**, so that **WE** have **no view of, or access to** them.....

Also, to keep **whomever**, and **whatever**, that exists in that realm - - separated from US.....

And, finally, one (1) that **we haven't a CLUE** as to what it is.....

Twelve (12) dimensions to this existence - - five (5) of which we can "perceive".....

Some (semi) obvious - - and some **not** so obvious!!

Maybe you're starting to see a pattern, here.....

NOTHING is as (simple as) it seems!!!!

In our collective "Infinite Wisdom" (arrogance?!!) (hubris?!!) (irrationality?!!) we (proudly) announce our declaration of the supremacy of the "Natural World".....

Anything beyond that scope is deemed "supernatural" - - unknowable, non-quantifiable, not repeatable, non-"scientific" and therefore not acceptable for consideration - - to be scorned and shamed.....

Relegated to "Witchcraft" - - fairy tales - - the mentally 'feeble' - - the insane.....

Or, worse yet - - to the 'gods' - - which simply ends the discussion with derisive laughter, spitting & slapping, and finally silence & shunning. [ and sometimes even death!!! ]

**Of course - - the diametric opposite is actually the case.....**

The Universe - - and everything in it - - is what it is. [ either it **IS**, or it **ISN'T** ]

Just because **YOU** don't "**know it all**" - - doesn't **NOT** make the Universe what it is!!!!

Just try to not be the native, worshiping the glass soda-pop bottle. [ "The gods must be crazy" ]

"**WE**" - - are **NOT THE STANDARD** by which all things are compared, or judged!!!!

"Natural" or "Supernatural" - - Mundane or Miracle.....

If it happens - - it **CAN** happen - - and always could & always will.

It's not that "miraculous" things are "supernatural" - - it's that **WE ARE SUB-"TRANSCENDENT"!!!!!!**

**We just - - - - flat out - - - - don't "know it all".....**

**HYPOTHESI NON FINGO** - - "I do not feign hypothesis".....

[ or, more accurately - - I do not frame (an) hypothesis..... ]

At one point, in the not-so-distant past, “electricity” wasn't even a word, much less a concept.

And, yet - - here we are.....

A couple of hundred years earlier, “gravity” wasn't yet a word, or a concept, either.....

And, yet - - here we are.....

However - - since time immemorial, there HAS been a concept that has gripped all of mankind.....

And this would be the concept of the possibility of some sort of “Meaning” to this life.....

The two camps seem to be unevenly split between “**IS**”, and “**ISN'T**”.....

6,000+ years of both sides desperate to formulate some sort of a “Proof”.....

Who determines the criteria for the “Proof”? [ Objectively, or subjectively? ]

Who validates the “Proof”? [ empirically, or mystically? ]

Do we spend ANOTHER 6,000 years killing each other just because you think **your** “because I said so” is somehow “better” than **MY** “because I said so”???

Or vice-versa?

[ or is there **actually** a “Proof”, one way or the other?? ]

[ actually, after all these millennia - - FINALLY - - there is..... ]

\*\*\*\*\*

The issues are ones of “Concepts”, “Perception”, “Presumptions”, “Proofs” and “Standards”.....

You are a **concept** - - nothing more, nothing less.....

[ either you are - - or you aren't ]

You, **personally**, have existed since the very beginning.....

[ either you have - - or you haven't ]

Millions - - **BILLIONS** - - of years - - **completely unaware**.....

Waiting - - **unknowingly** - - to be “inserted” into this existence - - come what may.....

Think of a baby in the womb.....

Extant - - but without an external reference.....

Not knowing who, what, where, when, how or why it “is”.....

Perfectly maintained - - perfectly content - - until it's “insertion” into this world.

[ maybe “expulsion” is a better term?? ]

But you're missing the bigger picture!!!!

You were - - are - - and **always will be** a “concept” at your core.....

We don't - - and **CAN'T** - - know if you were self-aware prior to this human existence.....

The point is - - you **ARE** self-aware - - now.....

So - - it's time to put on your grown-up pants.....

It's time to “figger’ out” the who, what, where, when, how and why.....

OR DON'T.

You'll have to understand - - I'm going on the “presumption” that you realize thoughts, words and deeds have consequences - - and that we ALL have responsibilities and obligations in this life.

[ even if you think it's **only** to your “self” ]

If you **DON'T** realize this - - regardless of your “chronological” age - - you are either still an intellectual & emotional **infant**, or severely mentally deficient - - or **psychotic** - - **insane**.

The “where & when” are easy - - “here & now”.....

The conventional wisdom on “what & how” centers around  
“matter-in-motion” - - and - - “overly sophisticated pond-scum”.....  
[ I disagree - - but we'll get to that in good time ]

The “who” is the root of all philosophical and metaphysical discussion.....

But the “Why” holds **ALL OF THE ANSWERS**.....

And the “Why” - - is nothing more than - - - - - **CAUSALITY!**

To quote the Merovingian: “Without the **WHY**, you have **NOTHING**”.

Causality has many intimately intertwined and interwoven components - - all  
required - - none that can be ignored, denied or removed.

It is - - **TRULY** - - a study in parsimony.....  
[ **MUCH MORE** on this - - later..... ]

\*\*\*\*\*

How do we “Perceive” the world around us?  
We begin to document what we see, hear, touch, taste & smell.  
And how do we quantify that which eludes the five senses?

We question absolutely **everything**, including, but not limited to, our very own existence.....

You posit the question: “Do I even exist”?  
And in response, I posit the question: “**And whom shall I say is asking**”?  
[ and just what - - **exactly** - - is your answer???? ]

Do **EITHER** of us exist? Are you **my** 'delusion'? Am I **YOUR** 'delusion'?  
Are we the 'delusion' of some unseen third party???  
Are you and I really just one & the same entity (or delusion)???

If you will just sit down with me; I have a hunting knife that I would gladly plunge into your thigh.....  
If you don't exist - - you won't feel a thing - - but if you **DO** exist, you'll suddenly become a believer.....  
And if we're **BOTH** are just one and the same entity - - I'll scream every bit as loud as you.....

### **ANY TAKERS?????**

The point is - - either you **DO** exist, or you **DON'T** exist.  
Fortunately, we don't have to resort to violence, pain & bloodletting.  
I'd like to think that we have moved beyond the days of the Inquisitor.....

**“COME, LET US REASON TOGETHER”**.....

**“Cogito; ergo sum”** - - or, more precisely - - **Cogitas; igitur estis.**

And with that, we open up a brave new world - - the world of “Presumptions” & “Proofs”.....  
You “Presume” that your existence might still be an open (and possibly unanswerable) question.....  
I “Presume” that it **isn't** (and not an unanswerable question) [ either it is, or it isn't ]  
And **YOU** “**prove**” **my** “presumption” (of your existence) by the fact that **you ponder your response** to  
the question that I posited, in response to **YOUR** questioning your very existence, above.....  
[ and - - not to forget - - your decision as to whether or not you accept the “hunting knife” challenge ]

**Cogitas; igitur estis** - - - - - **YOU THINK; THEREFORE YOU ARE.**

Another “Presumption” would be: all questions can be reduced to an “either/or” (“Binary”) expression.  
[ either they can - - or they can't ]  
Do you notice that this “Presumption” - - **in it's very expression** - - is self-defining & self-proving?  
[ either it is - - or it isn't ]

Anyone - - anyone at all - - see another sort of pattern emerging?????  
[ either you do - - or you don't ]

For all of you non-Aristotelians out there.....

This is Aristotle's Third Law of Rational Thought: Either [ A or not A ]..... [ **Law of the Excluded Middle** ]  
[ **L.O.T.E.M.**- - - **Remember this**, you're going to be seeing it, a **LOT!!!** ]

And just as any less-than three-legged stool can not stand on it's own.....  
There are the First & Second Laws of Rational Thought, also.....

The First Law of Rational Thought:  $A=A$  [ Law of Identity ] [ "I am, that I am" ]  
The Second Law of Rational Thought: Not [ A and not A ] [ Law of non-Contradiction ]

And not just "a" concept for rational thought - - rather **THE concept** for Rational Thought.....  
Each Law separate and distinct in it's own right.....  
None of which can exist or survive without the other two.....

It is, for want of a better term - - a **TRINITY** of Rational Thought.....  
[ if your thinking is outside of the above Laws - - you are an **IRRATIONAL THINKER** ]  
[ either you are - - or you aren't ]

Did this self-defining & self-proving "concept" just "Self-Create", **Ex Nihilo**?????  
[ **Ex Nihilo, Nihil Fit** - - Out of nothing, nothing (be)comes - - **From nothing, comes nothing** ]

The 'concept' exists - - if it **didn't**, we **couldn't** be discussing it.  
There are only three (3) Rational, Reasonable, **Logical** possibilities for this concept's **very existence**:  
It's either an illusion, or it 'created itself out of nothing', or it is Self-existent & Eternal.  
If it is an 'illusion' - - then it is not real - - and can't both exist & not exist simultaneously or serially.  
Ex Nihilo, Nihil Fit - - **NO THING** can 'create itself out of nothing'.

**THEREFORE**: Self-existent & Eternal - - this is a "**Transcendent**" concept - - the **cornerstone of all thought**.  
[ actually, it's the first of only three that I know of - - and we'll get to the 2<sup>nd</sup> & 3<sup>rd</sup> ones, later ]

\*\*\*\*\*

Alright - - I'll be the first to admit that it's taken us some time to get to this point.....  
But Rome wasn't built in a day - - and you have to walk before you can run, and crawl before you can walk.....

You may decide to believe all, some or none of the above..... [ and what follows, for that matter ]  
The decision is yours - - that's the human condition..... [ Red pill - - Blue pill ]  
[ ever notice that it wasn't a "rainbow", of "Pills" offered??? ]

[ **NOT** a panoply - - **JUST TWO** - - no more & no less - - hhhmmmm - - makes ya' wonder, no??? ]  
And, besides - - this is **America** - - you have a **Right** to be wrong.....

Peruse the Definitions, below, and realize that they can apply to YOU, as well as every other person on the planet.....

Delusion: [noun] A **false** belief based on incorrect inference about **external reality** that is **firmly sustained despite** what almost everyone else believes and **despite** what constitutes **incontrovertible and obvious proof or evidence to the contrary**.

Psychosis: [noun] A severe mental disorder in which thoughts and emotions are so impaired that contact is lost with **external reality**.

Commentary: According to the DSM – IV – TR, the definition of "**Psychosis**" is;  
"restricted to **delusions** or prominent hallucinations, with the hallucinations (or **delusions**) occurring in the **absence of insight into their pathological nature**".

**Psychotics believe that: "Something's wrong with those who say there's something wrong with me".**

The point being - - I'm **not accusing ANYONE** of being either delusional or psychotic.....  
You are **more than welcome** to believe in whatever you like - - as am I.....  
[ and you **certainly**, and **obviously**, don't need my "permission" - - as **I also don't need yours**..... ]

This seems to be the appropriate place to insert the rationale for “Truth” - - and why you should **not**, & **NEVER**, tolerate a lie....  
And why the “Tolerant” person is a **self-destructive enabler** - - who gets what he/she deserves - - and deserves what he/she gets!

Personally - - Philosophically - - I'm really only interested in **OBJECTIVE TRUTH**.  
[ “Objective Truth” being the 2<sup>nd</sup> “**Transcendent**” concept.... ]  
[ with “Causality”, introduced earlier, being the 3<sup>rd</sup> “**Transcendent**” concept ]  
Why would I be interested in lies??? Lies are infinite - - “Objective Truth”, less so....

Let me give you a rather vulgar analogy....

You're skinny-dipping in your backyard, in-ground swimming pool - - filled with **crystal clear, 100% clean, pure** water.

Some cretin - - over the fence & past the hedges - - starts tossing turds into your pool....

Or - - you start excreting your own turds into the pool, because - - well - - after all - - they are YOUR turds....

And - - they can't be all **that** bad - - 'cause **you** made 'em - - right?????

I mean - - you're “pretty” - - you're “pink” - - and your poopie don't stink - - right “princess”?????

So - - how many do you “tolerate” - - how many are “acceptable”, before you get out of the pool?

Or, is **your “reality”** that you're paddling around in a pool filled with nothing but turds....

And your only complaint is - - you don't like me squirting my **100% clean, pure** water hose over the fence & into your “pool”....

Or is it somewhere in between?????

The point is - - to tolerate anything less than **100% PURE TRUTH** is just totally, completely **UNACCEPTABLE!!!!**

[ to be “tolerant” is to “tolerate” something uncomfortable or unpleasant - - just to try & make someone else “happy” ]

[ your “happiness” is sacrificed - - **WITHOUT RECOURSE OR COMPENSATION** - - at someone else's **demand** ]

[ remember this analogy, the next time you're accused of being “intolerant” ]

[ **better still**, remember it as you “holier than thou” accuse someone else of being “intolerant” ]

[ **BEST OF ALL** - - remember it every single time you **excrete another lie** to yourself about anything.... ]

All of life is about relationships – with others, and with yourself. Will you be honest with yourself? [ or not?? ]

And, will you be honest with, and about the **TRUTH**???

And will you be honest with your fellow man?

Or will you continue to be the deceiver **that all men are?**

**ESPECIALLY OF THEMSELVES.**

\*\*\*\*\*

Personally, I decide to accept life based on the ‘Standards’ that I’ve discovered - - **wherever that leads!!**

For me to claim that I am the “Universal Repository of truth” would, of course, admittedly be a lie....

Proving - - conclusively - - that I am NOT the “Universal Repository of truth”....

Since I am not the “Universal Repository of truth”, just how much “truth” is in me??

At the outset - - my claim, **in and of itself**, is an admitted, demonstrable lie.... [ not to mention, farcical ]

The “trick” to this question is - - “truth” doesn't natively reside in me, **OR YOU**, at all....

**“Truth” is truth** - - it is **YOUR** acknowledgment of, and acceptance of it as a conclusion, reached by submitting “Presumptions” to the crucible of the Three Laws of Rational Thought. [ plus other criteria, **some of which are listed below** ]

“Truth” is NOT a conclusion reached by you being “pretty”, or “pink”....

“Truth” is NOT a conclusion reached by you doing something that “feels good”....

“Truth” is NOT a conclusion reached by you, in your “infinite wisdom”, “speaking it into existence”....

If you're unwilling or unable to ‘conceptualize’, ‘perceive’, ‘presume’, ‘prove’ and **effectively use** the Standards that we proffer....

You are, by default, not utilizing Rational thought - - you live your life as an Irrational Thinker....

And accepting “irrationality” as reality - - is, in fact - - **delusional!!!!**

And - - if you’re living a delusion, you don’t, won’t & can’t understand

**“WHY” outcomes sometimes run contrary to your expectations....**

There are three (3) possible “Solutions”:

1<sup>st</sup>: Blame someone else....

2<sup>nd</sup>: Keep repeating whatever it is you’re thinking, saying or doing - - all-the-while expecting a different result....

[ Albert Einstein defined this as insanity ]

[ I define it as: “Congenital, Compulsive, Pathological Immaturity” ]

[ The DSM defines it as: “Infantile Narcissistic Entitlement” ]

3<sup>rd</sup>: Realize whatever **“TRUTH”** you’re using - - **ISN’T** - - move from your ‘subjective’ truth to **“Objective”** truth.

Your “Outcome contrary to your expectations” is the “Consequence” to whatever “Cause” you promulgated.

Every “Cause” has an effect - - a **CONSEQUENCE** [ or Consequences!!! ]

[ some “good” - - some “bad” ] [ some instant - - some delayed ]

To deny - - or to not be able to understand - - the **consequence(s)** of your **action(s)** - - **ESPECIALLY** if they cause immediate or delayed **HARM** to **YOURSELF** or **OTHERS** - - means, **BY DEFINITION** - - that you have “absence of insight into their **PATHOLOGICAL** nature”. You move from the “delusional” into the “psychotic”.

\*\*\*\*\*

I think we have already adequately 'proved' that we exist....

I think we have already adequately 'proved' the Three Laws of Rational Thought....

These are the first Seven (7) Standards by which we operate: [ not necessarily in any particular order... ]

- First: We exist
- Second: The Three Laws of Rational Thought; Identity, Non-contradiction & L.O.T.E.M.
- Third: “Concepts”, “Perception”, “Presumptions”, “Proofs” and “Standards”.
- Fourth: You don't know what you don't know
- Fifth: **Objective** Truth [ not, **and never**, “subjective” truth (or, ‘truth by consensus’) ]
- Sixth:(A) Causality: Think, Speak, Act
- (B) Consequence [ & responsibility ]
- (C) “Instant” Karma
- Seventh: Ex Nihilo, Nihil Fit

### **Earth is a Quarantine Facility**

There are only Two (2) types of people – the Living, & the **Undead**....

[ if you're not one of us - - you're **one of them**.... ]

[ and if you're not “**Cured**” - - you're **NOT ONE OF US!!** ]

Other than the 'Standards', above - - I'll give you your first “hint”....

### **“How many psychiatrists does it take to change a light bulb”?**

[ None, the light bulb has to want to change itself.... ]

[ but the light bulb first has to realize that it's “burnt out”.... ]

[ just don't **REMAIN** the “burnt-out” bulb!! ]

### **We are ALL born as Zombies into this world....**

This “life” is the search for the CURE!!!!

Let me clarify - - if you will allow - - a few not insignificant points....

- First: There IS an overarching “Purpose” to all that which exists.... [ or not ]
- Second: There IS a “Meaning” to this life - - there **IS** a **WHY**.... [ or not ]
- Third: There IS a separate, individual “**Purpose**” to **YOUR LIFE**.... [ or not ]

The point being - - If I can “**PROVE**” **WHY** Human Beings even exist at all....

If I can “**PROVE**” what the “**Meaning of Life**” actually **IS**....

Then we can discover to what “Purpose” all that exists - - **EXISTS!!!!**

And - - if **YOU** then know **WHY you exist** - - you can then find and **KNOW** what **your ACTUAL purpose** is, in this life.

[ **WHATEVER** you're doin' **now** - - - - **THAT AIN'T IT**.... ]

This “search” for the CURE is NOT the “Meaning of Life” - - it's not “**Why** we are here”....

The “search” for the CURE is what we are (corporately) **SUPPOSED** to be **DOING**....

The “**FINDING**”, Acknowledging, Accepting, Confessing & **LIVING** the “**Meaning of Life**” - - **is the CURE**....

[ YES, yes - - we will define the “Meaning of Life”, in exquisite detail, eventually - - just be patient.... ]

[ remember, **L.O.T.E.M.** dictates that there is one, and only one “Meaning of Life” - - to the **absolute exclusion of all others!** ]

We are here to be “**CURED**” - - but not, and **never**, on **YOUR** terms!!!!

The “Meaning of Life” is a closely guarded secret - - one that cannot be purchased at any price.....  
It is purposely obscured - - purposely not obvious - - purposely counter-intuitive - - purposely “Cerebral”.....

A “Purloined Letter” secret - - **hidden in plain sight**.....

You trip over it on an almost continuous basis - - and you haven't a **FREAKING CLUE**.....

You can't 'earn' it & you can't 'steal' it - - nor can I force it upon you.....

I “could” just tell you what it is - - but I won't - - it's a matter of ‘Concept’ & ‘Perception’.....

Suffice to know - - probably for the first time in your existence - - there is an ALTERNATIVE.....

The “impenetrable vault” - - within which you currently reside, and are otherwise **FOREVER** trapped - - has a door.....

The lock is on the **INSIDE** - - and there's no ‘panic bar’ or release on the outside.....

I can give you the combination - - but **YOU** have to **WANT OUT!!!!**

Think of it as like living inside a tennis ball.....

If that's your “Universe” - - all you know - - and you're ‘surviving’ & relatively comfortable.....

Then, as you spend your life running around the inside surface - - “gettin' yours”.....

any direction you look - - is all that you can see, hear, touch, smell & taste.....

Odds are, you've never conceived of, nor considered that the ‘tennis ball’ has not only an inner surface, but an outer one, also.....

And that there is an INFINITY of **EVERYTHING** - - waiting for ALL THAT ESCAPE!!!!

The fact of the matter is, it's a “membrane” - - there's no real “thickness” to it at all - - it's like an almost opaque soap bubble.....

Think of it as an amniotic sac - - to build on the “baby in the womb” analogy.....

Just impossible to pop by any and all means human.....

If you're happy in your ‘Vault’ - - **paddling around in your pool-of-lies, for all eternity** - - GREAT - - have a nice life.....

**But - - if that's not YOU - - if you've come to the end of your “Self”.....**

If you've finally realized that being ‘pretty’ & ‘pink’ is as **shallow & meaningless as is humanly possible**.....

If you're tired of living an IRRATIONAL life - - if you're tired of being Defiant, Delusional & in Denial.....

If you **FINALLY** have a **clue** that you're actually Defective, Diseased & living under a Death sentence.....

When you're finally ready to spin that dial - - to turn that wheel - - to **come out of your Vault**.....

When you **swallow** the “**Red Pill**” - - with the **deliberate intention** of being expelled from the “Matrix”.....

**When you FINALLY AGREE that you are THAT Zombie.....**

**AND YOU DON'T WANT TO BE - - ANYMORE.....**

**We have your “Red Pill” - - we have your ‘combination’ - - we have the CURE!!!!**

The CURE is **FREE for the asking** - - but until you know **who & what you actually ARE** - - **you'll never ask**.....  
**ONLY** when you have that “aha” moment of clarity & insight - - and **PANIC** - - do you become worthy of our Pearls.....

Until **you realize** that you **ARE that Zombie** - - and just how utterly **destitute & desolate** you really are.....

And that you **WILL suffer the consequences** of your thoughts, words & deeds - - **no matter that YOU “disagree”**.....

You'll have **no real desire** for the CURE - - why would you change something that you **think** you know & love???

All you know is the “Zombie” existence - - it's just what you call “NORMAL” & “acceptable”.....

So - - - we **HAVE to start SOMEWHERE**.....

All we 'perceive' is the “here & now”.....

But now we have our first “Transcendent” concept of Rational Thought - - of **Reason** - - as our cornerstone.....

[ and our second, & third ones - - of **Objective Truth, & Causality**..... ]

We've 'proved' a 'Presumption' or two, already - - - - This is the beginning of our “Standards”.....

And assuming that our “Standards” have been properly, **rationaly** ‘proved’ - - they must be, by definition - - **TRUE**.

And so, this isn't just a search for “facts” - - Rather, it is the search for “**TRUTH**”.

On today's (in)tolerant college campi, the 'fashionable & trendy' **diktat** is: “The only truth is that there is no truth”.

[ or it's “definition of hypocrisy” twin - - “truth” is “whatever I say it is”..... ]

[ or it's self-defeating triplet - - “all truth is relative”..... ]

If you can't see that these statements are, **in & of themselves, self-contradictory, irrational & FALSE**

**YOU'RE LIVING A DELUSION!!!!**

We exist; We think; We reason; We search for “Truth” to expose “Meaning” and “Purpose”.....
